# 2016-17 School Accountability Report Card Published During the 2017-18 School Year

# **School Description**

Welcome to Maxwell Middle School. We are a small 6 - 8 school located at the same site as Maxwell Elementary School (K-5) in the rural agricultural community of Maxwell, California. Here at Maxwell Middle School, we focus on developing and extending our students' educational interests while assisting and supporting their overall welfare. We provide a strong curriculum of the highest standards through a local-based, decision-making partnership of students, family, education, and community. Our staff stays current with the latest educational research while working to maintain the strong moral values of small town, rural America.

# **Mission Statement**

Maxwell Unified School District (MUSD) strives to provide a meaningful, rigorous academic program for all students within a safe and supportive environment, prepare all students to be career or college ready, positive contributors to society, and promote academic excellence in all students, personal integrity, and responsible decision-making.

# About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

# A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

# **B. Pupil Outcomes**

#### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA	18	30	30	41	48	48		
Math	18	32	26	42	36	37		

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade 2	2016-17 Percent of Students Meeting Fitness Standards4 of 65 of 66 of 6

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)							
	Number of	Students	Percent of Students				
Group	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced			
All Students	25	24	96.0	37.5

Female	14	14	100.0	35.7			
Hispanic or Latino	15	14	93.3	28.6			
Socioeconomically Disadvantaged	19	18	94.7	22.2			

Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities	13	13	100	7.69			
Students Receiving Migrant Education Services							

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

# C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### **Opportunities for Parental Involvement (School Year 2017-18)**

There are many ways for parents to become involved in our school. Programs and activities include; Parent Teacher Organization (PTO), School Site Council (SSC), District English Language Advisory Committee (DELAC), Gifted and Talented Education Committee (GATE), classroom volunteers, athletic support, Band Boosters, and Book Faire assistance. We always welcome classroom visits, help with last day activities, and any parent input regarding school programs.

For more information on how to become involved, contact Staci deWit, Principal, at (530) 438-2401 or sdewit@maxwell.k12.ca.us.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

Our School Safety Plan outlines the responses for earthquakes, fire, and intruder alerts. A sign is posted outside the office door in two languages stating that all visitors must sign in. All athletic coaches are trained in CPR and first aid. A school bus safety drill is held every year, and the school has zero tolerance drug and gang policies. The School Safety Plan was last reviewed and updated by faculty and School Site Council in December 2017.

# **Professional Development provided for Teachers**

Maxwell Unified School District provides one day of professional development to all certificated employees each year. New teachers are provided support through the (TCIP) Tri-Counties Induction Program with a district Mentor Teacher and county support meetings. In-service includes computer technology training, professional development on the California Standards, classroom management strategies, and differentiated instruction strategies. All teachers are encouraged to attend conferences and workshops and share their information with the other staff. Teachers returning from additional training are supported through additional funding to implement new methodologies.

For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at <u>www.cde.ca.gov/ds/fd/cs/</u>.

#### **Types of Services Funded**

After School programs are provided by the ASES grant.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
